## PERSONAL HISTORY

A passionate video editor with a keen eye for detail and a strong creative mindset. Proficient in industry-standard software, including Premiere Pro, After Effects, and Photoshop, with a deep understanding of pacing and storytelling. My understanding of motion graphics and digital design allows me to create engaging, dynamic, and visually captivating content that is valuable in any project and work environment.

## EDUCATION

British Columbia Institute of Technology | Burnaby, BC  
**Certificate in Video Production and Editing**

- ❖ Non-linear video editing across various styles and formats
- ❖ Typical assistant editor tasks, including media management, logging and ingesting
- ❖ Advanced editing practices with the use of Adobe Premiere Pro
- ❖ Motion graphics and visual effects to improve video content
- ❖ Sound design principles and techniques to enhance the audiovisual experience

Pontifícia Universidade Católica do Paraná | Curitiba, PR  
**Bachelor of Fine Arts in Digital Design**

- ❖ Photo editing and retouching using Photoshop
- ❖ Creating social media content, including photomontages and illustrations
- ❖ Developing brand identity through color theory and design principles
- ❖ Video production and photography
- ❖ Communication and teamwork in group projects

## WORK EXPERIENCE

**Video Editor** | Jellysmack | Remote | 2021 – 2022

- ❖ Edited engaging video content for Jellysmack's digital influencer partners on the Facebook platform
- ❖ Effectively used professional editing software, including Adobe Premiere Pro and Photoshop
- ❖ Managed multiple projects simultaneously, ensuring timely delivery without compromising quality
- ❖ Utilized pre-existing Motion Graphics Templates (MOGRT) to create visually captivating videos capable of high audience retention
- ❖ Designed eye-catching thumbnails that capture audience attention and increase views
- ❖ Focused on pacing and storytelling to edit compelling and high-quality content
- ❖ Collaborated with team members, incorporating feedback to refine and enhance video projects
